PROPERTY DESCRIPTION

This charming cottage is reminiscent of Old Cape Cod. As you round the corner on Six Penny Lane to #13, you are greeted with a sea of carefully tended flower beds, window boxes and shrubbery. Step up the walkway and into a beautifully updated eat-in kitchen that leads to a warm and inviting living room. Two bedrooms and a bath are on one side and the master bedroom and bath are on the other. Step out to the sun-room and you are greeted by warm summer breezes and surrounded by nature and the singing of birds. Privacy abounds with undeveloped land across the street and an abundance of trees encompassing the property. Title V for 3 bedrooms has passed; square footage does not include the almost 200 square foot sun-room.
