PROPERTY DESCRIPTION

Rarely does a home enter the market in this neighborhood. Envision your evening on the front patio, listening to the waves, watching the sky over the ocean transcend from day to night and the palette of colors that come with it. A special Cape home overlooking Jenkins Beach, in a neighborhood where your privacy and serenity will be respected, yet so close the village of Harwich Port, or that summer stroll down to the ice cream house. Kitchen and baths have been updated, first floor master suite with fireplace, comfortable living room with second fireplace, a dining room for those wonderful family dinners with the third fireplace and a light airy kitchen. Two patios, and a yard for kids to enjoy all of their summer games. Certainly a home to compliment your achievements.
